

Hi THERE,

My name is Hubert. I am 40 years old. I was born in Alice Springs. I have two brothers, ones lives in Adelaide and the other lives in Alice Springs. My mum and dad live here too.

I have been coming to MHACA for two years and am involved with the Outreach team.

I like the workers at MHACA. I go to Bindi Centacare three times per week and I also attend the drop-in sessions on Thursdays.

I enjoy living in Alice Springs. I would like one day to have a career as a tradesman.

I like going to MHACA because the workers and the other people who go there make it a good atmosphere.

I also enjoy reading the newsletter. This is the first time I have contributed to the newsletter and I look forward to seeing this article included.

Bye,

Hubert
